Another Bomb.

The present time deserves to be recorded in the pages of French history as the age of bombs. Citizens are terrorized, the minions and watchdogs of the law are kept busy unearthing

Diabolical Plots

And bringing the offenders to justice, and their whole social system is dis-ordered. In spite of vigilance, how-ever, a scheme has just come to light

Blown to Pieces

The combination to keep up, against the protest of the public, high prices on Clothing and Furnishing Goods in this city, as well as other articles of general wear.

A Vicious Blow

Has been dealt, and prices have been revolutionized. The people demanded it and CARSON & CO. complied with the demand. The day of high prices is past and low prices will hold full sway. The monopolistic march has been

Arrested

And the people are released from the bondage in which they have so long been held. Henceforth they will get a guaranteed quality and extensive assortment to choose from, at prices which are the lowest of the low. There is an end to all things. The crisis that for so long

Hung

In the balance has burst upon us, and through the dim vista of the future content and happiness can be seen for those who trade with
